AEO / AI SEARCH OPTIMIZATION

Schema Markup Required

- FAQ Schema — apply to all H3 questions in the FAQ section
- LegalService Schema — firm name, practice area, location, hours
- LocalBusiness Schema — address, phone, service area (Houston, Sugar Land, TX)

Content Formatting for AI Readability

- First paragraph must directly answer: 'What is an employment lawyer and do I need one?' in 2-3 sentences
- Keep paragraphs to 3-4 sentences max
- Use question-format H2s and H3s where possible — AI tools pull these as answers
- Include a dedicated FAQ section (minimum 4 questions with concise answers under 60 words each)
- Add E-E-A-T signals: attorney bar admission, years of experience, Houston-specific case references

CTA & EDITORIAL NOTES

Primary CTA

"Schedule a free consultation with Lange Firm today" → link to /contact. Include inline CTA mid-article and again at the end.

Editorial Notes

- Write for the client, not the attorney — avoid jargon, use plain language
- Reference Houston and Sugar Land naturally throughout (local SEO signal)
- Do NOT make specific legal promises or guarantees — flag for attorney review before publishing
- Tone: empathetic and authoritative — the reader is likely stressed and scared
